

With all things being equal, what is the one major improvement you would like to see RVTD undertake?

Open-Ended Response

expand service to serve large employers, get a Board of Directors that is more active and involved in advocating for RVTD and funding for RVTD, better outreach to elected officials to secure support and funding

Expand hours, do Saturdays, go to Mt. Meadows

Come to Mt. Meadows Retirement community

Route to Mt. Meadows and East Nevada

Longer hours and service on Saturday.

More coverage of the area and more frequent times

Bus service to Mt. Meadows community, extended weekend, evening hours of service until 10pm!

Routes closer to Mt. Meadows

More service in Talent and weekend service

expand to weekends and later in the evening. Go to Mountain Ave.

Have more fuel efficient buses and special bus ticket programs

More stops and more frequent buses

Stop at Mt. Meadows community

bus service on Saturdays, a train like in Portland

Get route 4 back and cut service back to :45 min to 1 hour headway

expand hours and days of operation

allowing me to take my keyboard on-board

Weekend service

Light rail, street car type system (portland) between and through Medford, Central Point and Ashland

We need late night and weekend service, and route 4 back

Get financially solvent

More inter-regional service

Faster service hours

Use easy access non-cumbersome trams rather than buses. Run them frequently, like Bermuda or Laguna Beach.

Funding to provide more service

Travel time for buses

DO more to capture the north/south market

increase headways

Service to Table Rock campus

Place more emphasis on serving TOD's

Long Range Plan, Convince local leaders, access

Convenience, I would want more direct service to destinations like work

Having RVTD put in elevated bus platforms for the bus ramps.

More service route 4, route 5, Saturday service

Evening hours and weekends

Evening routes if possible. Put ad on side of bus with co2 emissions from cars in comparison to the bus. Speak

to chamber about buying tickets for visitors.

Circulators and transportation for work

Try to change the mind set of government and other institutions, eg insurance companies, so called health insurance

Nights and Saturdays

Evening service in Ashland

Route specifically for commuters

extending hours
